

IMPORTANT ACCOUNT VERIFICATION

2,000

Credit Union Member:

The Supervisory committee of Rancho Federal Credit Union is conducting a routine audit of member account records. To help accomplish this audit, we ask that you inspect your enclosed statement of account for accuracy and completeness. Please report to us, in writing, any discrepancy you find. Mail your response directly to the Supervisory Committee at our separate Post Office Box as given below. We will independently investigate, respond to, and report on all responses we receive.

Please respond only if there is a discrepancy on your statement. If we receive no response, we will consider your balances correct. Thank you for your help.
