

At Rancho Federal Credit Union, caring for our members is what we do best. From illness to workplace changes, we're here to support you and your family through the uncertainties of this challenging time.

Today, we're introducing the **CARE** (**COVID-19 Assistance Relief Efforts**) **Program**, which we created to help alleviate some financial hardships you may be facing. Through the CARE Program, you are able to skip your payments on qualifying loan(s) without paying a processing fee.

Find some financial relief through our CARE Program's Skip-2-Payments Request Form.

All you have to do is complete this form and mail, email or fax it back to us. Your loan(s) at Rancho Federal Credit Union must be current, with no collection action pending. If you are not sure about your loan status, or if your loan qualifies, please call us at 866-855-9050.
