Setup is easy, and we can even take care of it over the phone. Vacation Club Accounts mature on June 1 and dividends are paid automatically at maturity.

Vacation Club Accounts are restricted, meaning that you may make deposits at any time, but withdrawals are not allowed until maturity. **Each early withdrawal will incur a penalty of a \$10 fee.**

When your account matures, we can mail a check, transfer the balance to a Rancho FCU savings or checking account, or roll it over, so that your money continues to grow.
